

Tour Marketing Internship (Nashville Office) – Unpaid

Foundations Artist Management was launched in 2000 by Steve Bursky, and has since grown into a full-service artist representation company focusing on building artists' careers from the ground-up. The New York and Nashville based company prides itself on its work with its acts from the very early stages of their careers, helping them lay the necessary groundwork for a successful future in the music industry. With the addition of partners Brian Winton in 2004 and Drew Simmons in 2011, Foundations has continued to build on its original vision: providing uncompromising support to great artists, assisting them in growing their careers as we grow our own.
